- **Dismissal Rite Facilitators:** One who leads the discussion of the Sunday readings with the catechumen when they are commissioned by the presider to leave the assembly after the homily. The facilitator is able to reflect prayerfully on the readings and to invite reflection and sharing from others.
- **Spiritual Companions:** Fully-initiated, active Catholics who serve as a *?link,?* and *?avenue?* by which those seeking to become Catholic, begin to enter the life of the parish. Commitment is to meet with your assigned inquirer during the pre-catechumenate period for at least 4 consecutive Wednesday evenings, invite them to accompany you at Mass, and at parish activities.
- **Sponsors:** Fully-initiated, active Catholics who accompany the catechumen to the weekly sessions to pray and share faith, and to all liturgical rituals. Sponsors introduce the catechumen to others in the community.
- **Hospitality:** Parishioners can volunteer to bring snacks for a weekly meeting. Help is also

needed for the ?Welcoming Breakfast? Easter morning for the newly initiated and their families.

## Parish Family Formation

Parish Family Formation is a program involving all age levels. The belief is that religious education is a life-long, on-going process. We witness to God in such a way that children as well as adults can grasp the central place of faith in their lives.

Family Formation programs teach that this faith expresses itself in worship, in loving and in living Gospel values in individual families as well as the larger parish family.

**Safe Environment Workshop.** Adults who will be working with children (under 18) on a regular basis (more than once), need to fill out a Volunteer Criminal Background Check Authorization AND have attended an **Archdiocesan Safe Environment Workshop**. Contact Barb Herzog for details.
