ADDITIONAL OPTIONS

- It is customary that the closest family members place the pall on the casket during the opening rites.
- You may wish to have a friend or family member briefly share about the life of the deceased, generally done after the Entrance song. You may choose to have someone do a poem or reading rather than a reflection on the life of the deceased.
- You may choose family members or friends to proclaim the readings, read the petitions, bring up the gifts, and/or be Eucharistic Ministers (if they are commissioned Extraordinary Ministers of the Holy Eucharist). Epiphany can provide community members for these ministries, as well.
- You may bring artwork and/or a poem or quotation for the cover of the participation sheet to the office.
