

# Singles Explore Life

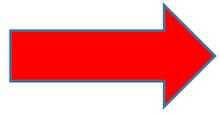

December, 2019

Volume XXII, Issue 12

### Mission Statement

SEL's (Singles Explore Life) mission is to provide time for those singles over forty (40) years of age to come together to meet other people, to socialize, to explore areas of enhancement for our personal lives, and to seek God within us, exploring that relationship with God and God's likeness in us all. We also strive to become more aware of persons traveling similar roads and to seek connections with them should that be feasible.

Our December dinner will take place on Thursday December 5 at 4:00. In keeping with our alphabet theme I have chosen The Grape Leaf, located at 2217 Frankfort Avenue. The menu is Mediterranean and can be seen on their website <https://www.grapeleafonline.com>. Please let me know as soon as possible if you will be able to attend so that I can give the restaurant an accurate count. You can reach me at [vmo@twc.com](mailto:vmo@twc.com) or text to Vickie Vaught at 502-836-0429. Hope you are able to join us. Hope everyone has a lovely Thanksgiving.

In October, eleven SEL members took a road trip to the Kentucky Castle in Versailles. Our tour director gave us all sorts of historical tidbits about the origin of the castle and the previous residents of this establishment. The tour was followed by a “farm to table” absolutely delicious lunch – most of the ingredients coming from the property itself. Though it was a rainy day, several of us “bit the bullet” and went onto the roof, which provided quite a view of the surrounding countryside. All of this gave us quite a bit to discuss on the way back home.
