

# Singles Explore Life

February, 2019

Volume XXII, Issue 2

## *Mission Statement*

SEL's (Singles Explore Life) mission is to provide time for those singles over forty (40) years of age to come together to meet other people, to socialize, to explore areas of enhancement for our personal lives, and to seek God within us, exploring that relationship with God and God's likeness in us all. We also strive to become more aware of persons traveling similar roads and to seek connections with them should that be feasible.
