

Singles Explore Life

June, 2018

Volume XXI , Issue 6

Mission Statement

SEL's (Singles Explore Life) mission is to provide time for those singles over forty (40) years of age to come together to meet other people, to socialize, to explore areas of enhancement for our personal lives, and to seek God within us, exploring that relationship with God and God's likeness in us all. We also strive to become more aware of persons traveling similar roads and to seek connections with them should that be feasible.

The June SEL event that had been on our annual calendar has been scratched. However, as always, we can make up that absence with a dinner option, always a good idea with SEL. So, on Wednesday, June 20th we will have dinner at Bravo's on Shelbyville Rd. Please contact Lynne, justlmw@att.net by June 6th for your reservation.

Let's have a leisurely dinner and a lot of conversation!

On a beautiful summer evening, fifteen women gathered at Mimi's Café to discuss the book, *The Great Alone* which told a story of lives changed by another person's actions and a love story that crossed countries and a way of life unbeknown to us.

Our guest speaker was Joan Perkins, who had experienced life and raising a family in the cold northwest and gave us an

insight of what life there was like which made the book even more real. Please join us for the next Book Club review as we read *That Month in Tuscany* by Inglath Cooper. We will meet on Wednesday, July 18th to discuss.

Happy birthday to....Vicki Vaught (6/1),
Dot Zipperle (6/02), Mary Elaine White
(6/07), and Martha Stuber (6/29),
