

Singles Explore Life

May, 2019

Volume XXII, Issue 5

Mission Statement

SEL's (Singles Explore Life) mission is to provide time for those singles over forty (40) years of age to come together to meet other people, to socialize, to explore areas of enhancement for our personal lives, and to seek God within us, exploring that relationship with God and God's likeness in us all. We also strive to become more aware of persons traveling similar roads and to seek connections with them should that be feasible

Look at the uniquely structured house and the smiles on the faces of the 9 SEL members who traveled to Jamestown, in south central Kentucky on Cumberland Lake. The pictures say it all. Time to read together, talk together, play games and eat together (not counting calories). It was as close to perfect as life gets.
