Animated by the Holy Spirit, rooted in the Roman Catholic tradition, and invigorated by the teachings of the Second Vatican Council, we are the community of Epiphany on a pilgrimage of faith. In response to our baptismal call and sustained by prayer:

- we choose to live the gospel of Jesus Christ with humility and compassion,
- we search for truth in a complex and changing world,
- we experience the struggle and excitement of transformation through conversion,
- we accept the responsibility of shared, collaborative ministry,
- we embrace diversity and nurture the unique gifts of all.

Believing in a society free from oppression, we heal, reconcile, and work for justice and peace. Celebrating our oneness with God and all of creation, we are EPIPHANY, a manifestation of God in our times.

Corporal Works of Mercy

The **5th Sunday of Easter Year A** reminds us that faith is more than belief – it is also action. In the first reading, the apostles appoint helpers to serve the widows, showing the importance of caring for those in need. This connects to the Corporal Works of Mercy, which call us to serve others by feeding the hungry, giving drink to the thirsty, and helping the poor. By following Jesus, we are called to show love through acts of kindness and service.

The Gospel for the **5th Sunday of Easter Year A** teaches that Jesus is the way, the truth, and the life. He leads us to the Father and shows us how to live with love and compassion. When we practice the Corporal Works of Mercy, we follow His example and bring His light to others. Serving those in need is a way to live our faith and share God's love with the world.

Check out the latest Common Home newsletter; You'll want to "spring" into action!

Thanks to the Spring edition, you'll see why the U.S. Bishops are so concerned with what's happening to our planet and what you can do to help. How did bugs and plants become such good friends? Who benefits from whom? See why we may be getting in the way of a great friendship. Solar power in oil-rich countries? Really, it's a big thing. And there's lots of good news for our Earth. All this and lots more. Go to Epiphany's homepage, hover over Social Responsibility, and click "Creation Care Team."

Fifth Sunday of Easter (May 3, 2026)

"... the one who believes in me will do the works that I do, and in fact will do greater ones than these..." John 14:12

Stewardship is a faith response. The good works we perform are the result of our faith, not the cause of our faith. Stewardship flows from a genuine faith conversion.

On the weekend of May 23/24, our parish will take up donations for World Mission Day 2026, marking 100 years of World Mission Sunday and the international missionary agency, the Society for the Propagation of the Faith. Your donations help the Church's missionary work by providing monetary assistance for the Church's pastoral and evangelizing programs in the United States, Africa, Asia, the Pacific Islands, and remote regions of Latin America.

Inspired by the theme "One in Christ, United in Mission", our World Mission collection will support our sister parish.

Please prayerfully consider a gift. Together, we share faith, support others, and live our mission beyond borders.

Crusade for Children

Since 1955, the Archdiocese of Louisville has supported the Crusade for Children, benefiting children with special needs and local Catholic schools.

Our parish will collect donations May 30–31. Give at Mass, the parish office, or online (be sure to credit our parish). For checks, make payable to the parish and note "Crusade" in the memo.
