

Dear Parishioners,

Listed below are highlights of our 2025 Stewardship Renewal. Our goal is to continue offering a variety of opportunities to help you grow closer in your relationship with God. We really believe that **stewardship is a way of life** at Epiphany. Because of you, our parish will continue to thrive in 2025.

Highlights

- To date, we have 1191 households registered in the parish. The total number of members is 2767, 2358 who are 14 years or older, 290 under 14 years old and 127 with no age listed.
- On October 5, 1078 households were emailed online stewardship commitments and another 20 picked up printed materials in the Connector.
- 535 households completed their 2025 renewal online or returned a printed copy. Last year 585 households completed commitments for 2024.
- 516 of the 535 made financial pledges.
- Total dollars pledged decreased from \$1.21M for 2024 to \$1.13M for 2025.
- Dollars pledged per household decreased from \$2,414 for 2024 to \$2,189 2025.
- 127 parishioners expressed interest in a new ministry for 2025.
- 724 of our members, 14 years and older, are active in at least one ministry.
- 523 of our households have at least one member active in at least one ministry.

There are many households attending Mass, making financial contributions, and volunteering in ministries, that do not complete a stewardship commitment. We are grateful for your contributions to our community. Please consider making a "commitment" next year. Having your "involvement" recorded in our database helps ministry leaders to communicate with you and your financial pledge assists with fiscal year budgeting.

If you are new to the parish or were unable to complete your commitment during our renewal period and would like to make a 2025 stewardship commitment, please contact Fr. Toan at 502-245-9733 or tdo@archlou.org.

With gratitude,

Stewardship & Engagement Committee/ Stewardship Team
